Ever wondered if Bible prophecy is something that should be taken seriously?

Did you know that the rise and fall of the ancient empires were accurately predicted? Did you know that there are no more biblical time prophecies left to be fulfilled?

When we use the Bible to unlock itself and we look back in history, its prophecies become clear. We can see the past, present and future. We understand the signs of the times and:

- why Europe can't unite
- what is happening in the USA
- how church and state will unite
- what the Mark of the Beast is & much more!
